CHECKLIST:

Your video opens up to scenic shots of the area where you're getting married with personalized titles. Then it dissolves into both of you getting ready, back and forth, until the guests start arriving for the ceremony.

1. PLEASE PICK A SONG YOU WOULD LIKE TO PLAY FOR THE GETTING READY PART

(Generally 3-7 minutes in length, or 2 shorter songs. Email me mp3s or other digital format, but I can usually just download your picks).

BAND / ARTIST and SONG TITLE:

The Ceremony is edited with its original audio (boom mic and a small wireless mic is worn by the groom).

2. OFFICIANT'S NAME (so I can include a title during the ceremony):

3. WEDDING INVITATION* (I scan and use it in the insert of your DVD case).

4. WEDDING PROGRAM* (I need to know the schedule, plus the wedding party's names for the end titles)

Cocktail hour generally entails formal picture taking and a party for everybody else. I am there to capture as much of both as possible. I set the footage to the music of your choice.

5. SONG YOU WOULD LIKE TO PLAY FOR THE COCKTAIL HOUR PART

BAND / ARTIST and SONG TITLE:

For the Reception, I use the live audio. The only thing I need is:

6. THE RECEPTION SCHEDULE* (what and when it is supposed to happen... first dance, speeches, cake cutting, fireworks, etc.)

EXTRAS... Music Highlights Video or Slideshows

(Please include **extra song choices** below. Pictures for slideshows can be either in digital format or scanned – will discuss)
