## ABOUT PETR & KRISTI

We met on 11/11/11 in Rhode Island in a hot tub set to 111° F at our mutual friend's house. Kristi is originally a high school teacher but now manages a Chipotle restaurant. She is a wildlife enthusiast, great chef, and a warm, brilliant person. Petr shoots many wedding videos and also works at the greatest bar on Earth, The Great Lost Bear in Portland. He is originally Czech, loves mountain biking, technology, beer, and his two offsprings, Drew (19) & Ema (16) whom you occasionally get to meet.

We both enjoy traveling, hiking, exploring new places, cooking, playing games, watching movies and shows, having fires, fierce ping pong matches, profound conversations, and meeting new people from around the world!

If our schedules work out, we are happy to hang out, share stories, have a few beverages, play some table tennis or games, or to enjoy a fire!

## DIRECTIONS / ACCESS

238 Cumberland Street, Westbrook, ME 04092

Coming from the Portland direction or I-95, you will pass a large paper mill on your right side. You will go under a small bridge and our driveway is on the left with the blue lighthouse. Our house is cream colored with blue shutters. You can park right in the front of the yard (and your private door).

Your private  
entrance with  
digital lock

If we are not home to welcome you, there is an electronic lock so you can self check in. You will receive a unique passcode either directly from AirBnb or from us. Wake the lock up by touching the display. Enter the code, followed by the check mark (bottom left). To lock the door, make sure it is shut tight (it gives you a little click), and then press the Yale logo button. You will hear the lock close and the display flash if done right.

## **GETTING AROUND WITHOUT A CAR**

Uber and Lyft are around and cost about \$15 to get downtown (takes about 15-20 minutes).

## **SMOKING**

There is no smoking allowed in the house.  
You can smoke outside away from the house. Just dispose of your butts.  
We are 420 friendly and it's legal in Maine but please keep it outside.

## **HEAT**

There is a Rinnai heater right next to the door. If you are cold, plug it in, press the ON button and adjust the temperature with the up and down buttons. Please don't run the heater with the windows or door open.

## **AIR CONDITIONING**

The unit up on the wall in the corner is not an air conditioner but a heat pump. It works in reverse in the summer as an air conditioner and dehumidifier but any adjustments to it take hours to take effect. We have it set at a comfortable temperature and ask that you don't make any adjustments to it. Please let us know if you want us to make any changes.

## **TRASH / RECYCLE**

There are trash cans in the bathroom and in the kitchenette.  
*Paper, plastics, and metals all get recycled here.*  
*Bottle containers are deposit redeemable in Maine. Beer, wine, water, whiskey, milk, soda...*  
Please put all recyclables in the blue container under the porch that says "City of Portland recycles."

## **GAMES**

There is a wide range of games in the second room by the dining table. Feel free to play any of them!

## **PING PONG**

We have a ping pong table in the garage that you are welcome to use.  
There is also a dart board. We both accept any challenges!

## **FIRE PIT**

We love having a fire!  
If we're around and weather permitting, we are game!  
Please don't start any fires if we are not present.

## **CAT**

We have a partially Maine Coon black cat, Luna. She is very social and will visit if you let her.  
If you don't care for cats and she gets in, just put her outside. If you like a new fluffy friend, feel free to hang out.

## **THINGS TO DO**

I have a cool map and at least two weeks worth of itineraries.  
Hiking, biking, swimming, breweries, art, dining, outdoors and indoors fun...  
Just ask and I'll show you! :)

Next to the games, there is a folder of Maine resources, maps, park info, etc.
